EXPLANATION OF CHART # 1

OVERT & SEMI-COVERT CASES

This Chart reflects statistics in Table A.

The solid line graph represents the total number of Overt & Semi-Covert Cases Received and the dot-dash line the total number Pending /in the Office of Security for security clearance consideration. These include "T/O Staff Applicants" and "Other Full Field Investigative Cases", both of which normally require full field investigations. The latter category includes such types as consultants, staff type contract employees, military assignees, guards, char force, etc. Also included in the overall category of Overt & Semi-Covert Cases are cases not requiring full field investigations, but on which checks are made at the request of [REDACTED] and those on which checks are made on persons connected with the Agency Classified Procurement Program; also in addition are included Technical Contact, Administrative Support and miscellaneous cases handled in support of specific activities.

25X1X4

25X1X4

All cases received for security consideration are given National Agency Name Checks.

The full field investigative load contributed to by Overt & Semi-Covert Cases requiring such action is reflected in Table E and Charts 7 and 8.

EXPLANATION OF CHART # 2

T/O STAFF APPLICANT CASES

This Chart reflects statistics in Table A .

solid

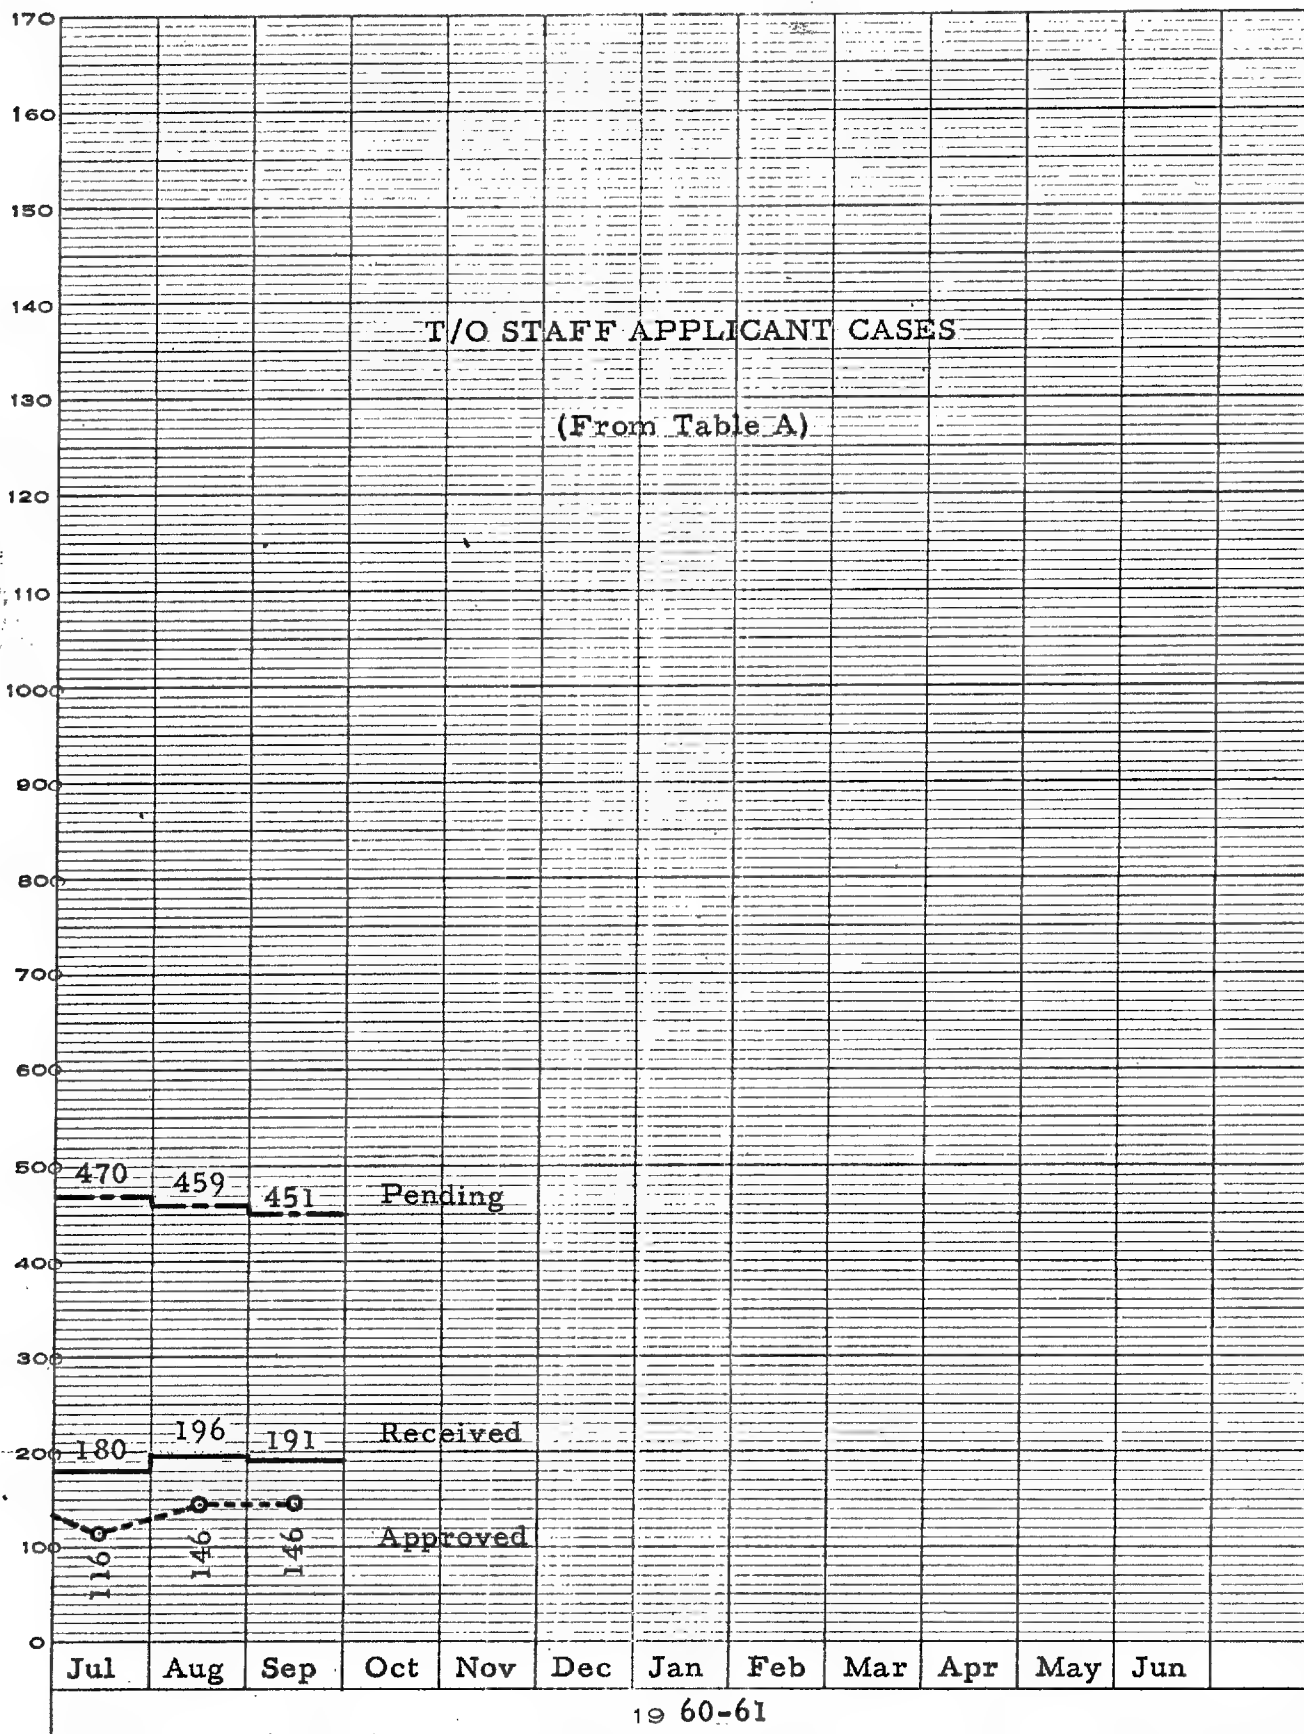

The ~~XXXXXX~~ line graph represents the total T/O Staff Applicant Cases Received in the Office of Security for clearance consideration. These cases are included in the total Overt & Semi-Covert Cases shown in Chart # 1 but are shown separately here because of the particular interest of the Office and the Agency in the status of this type of case.

The dotted line graph represents the number of T/O Staff Applicant Cases Approved during the period.

dot-dash

The ~~XXXX~~ line graph represents the backlog of T/O Staff Applicant Cases Pending and on which a security determination or other action has not yet been taken. The cases may be in process, in investigation, in appraisal or in a deferred status. Total pending cases are not simply the difference between cases received and cases approved. Disapprovals, cancellations and other actions also affect the pending case load.

EXPLANATION OF CHART # 3

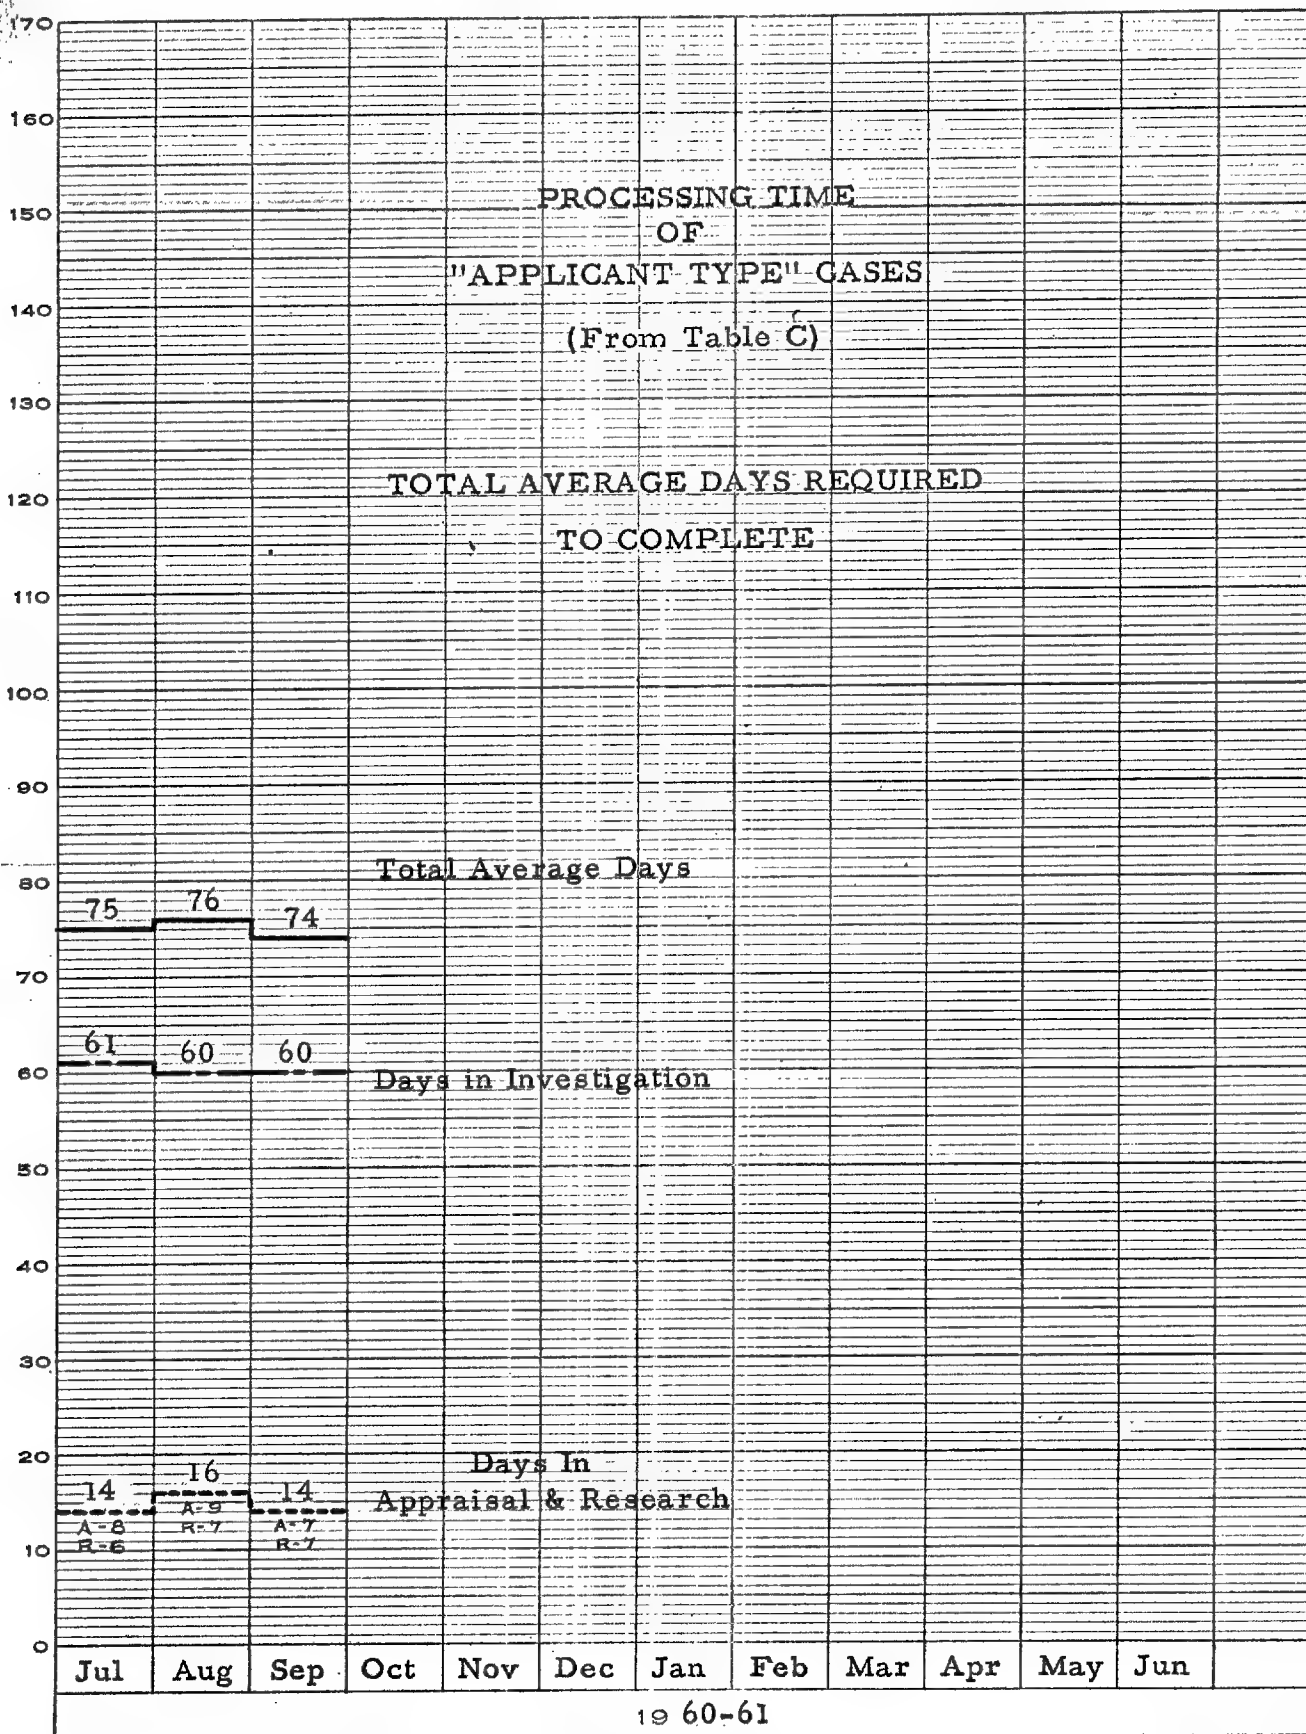

PROCESSING TIME OF "APPLICANT TYPE" CASES

This Chart reflects statistics in Table C.

The three graphs as labeled are self-explanatory.

In order to arrive at statistics which reflect a realistic time factor in the processing of applicant cases and which are meaningful to those who have an interest in the processing of an average case, the time required to process an "Applicant Type" case is determined by confining consideration for these statistics to Regular Applicant, Consultant, and Military Assignee cases received from the Office of Personnel. Cases which would distort the averages by short processing time or those of a secondary priority nature which would unrealistically increase the average are not included.

EXPLANATION OF CHART # 7

FULL FIELD INVESTIGATIVE CASES RECEIVED

This Chart reflects statistics in Table E. They are representative of the types of cases reported in Tables A and D which require full field investigations and which have been processed to the field offices for action. Operational Support Activities are not included in these statistics.

The solid line graph represents the total number of Overt & Semi-Covert and Covert cases which have been received in the field for Full Field Investigations.

The dot-dash line graph represents the Overt & Semi-Covert cases included in the total.

The dotted line graph represents the Covert cases included in the total.

EXPLANATION OF CHART # 11

AGENCY SECURITY VIOLATIONS

This Chart reflects statistics in Table H.

The solid line graph represents the total number of security violations charged in the Agency during the period. It is made up of the following:

Headquarters violations reported, investigated and charged, represented by the dot-dash graph line.

Overseas violations reported to headquarters and charged, represented by the dotted line graph.

(FY-1961)
